

August History Moment

"The Colorado River Basin Project Act will mean more to Arizona than any other legislation since statehood. . . I have worked on this project for more hours than I have worked for any project during my 56 years in Congress. I am truly glad to be able to tell you that I now consider this project assured."

— Carl Hayden

(U.S. House of Representatives, 1912–1927; U.S. Senate, 1927–1969)
